2010 CoSIDA Convention Sponsor Directory

Over the years, CoSIDA has depended heavily on the support of their corporate partners and sponsors to help insure a successful annual convention and yearly organizational support. And, over the years, these partners have been tremendously supportive of CoSIDA and our missions. In preparing for the 2010 Convention in San Francisco, despite the challenging economic times we are facing, these partners and sponsors- 52 organizations in total- have responded with outstanding support. From an organizational standpoint we owe them our sincere thanks and hope that you will also say "thanks".
